

Jamie Rivera

Communication & Media Studies Student | Storyteller and data-curious
Seattle, WA | jamie.rivera@cascade.edu | (555) 018-2470

SUMMARY

Junior Communication & Media Studies major with a Data Analytics minor who turns ideas into clear stories across writing, audio, and social. Comfortable pairing creative work with simple data to show impact. Looking for roles in content, communications, and community programs.

EDUCATION

Cascade State University, Seattle, WA

Expected May 2027

B.A. in Communication & Media Studies, Minor in Data Analytics | GPA 3.7 / 4.0

Relevant coursework: Digital Media Production, Intro to Data Analytics, Public Relations Writing, Web Content and Design.

EXPERIENCE

Marketing and Communications Intern, Greenline Community Trust

Jun 2025 to Present

Seattle, WA

- Rebuilt the nonprofit's social presence and grew Instagram following by 40 percent in one semester.
- Write and schedule a weekly newsletter that reaches more than 1,200 subscribers.
- Produce short-form video recaps of volunteer events, from filming to captions.

Peer Writing Tutor, Cascade State Writing Center

Sep 2024 to Present

Seattle, WA

- Coach 60-plus students per term on essays, resumes, and application materials.
- Led two campus workshops on clear, structured writing.

Barista, Foghorn Coffee

2023 to 2024

- Trained four new hires and kept service moving during high-volume mornings.

PROJECTS

First-Gen Voices Podcast, Founder and Producer

2024 to Present

- Launched a student podcast interviewing first-generation college students; 15 episodes and 2,000-plus downloads.
- Own recording, editing, cover art, and release scheduling.

Campus Recycling Dashboard, Data Analytics Course Project

Spring 2025

- Analyzed two years of campus waste data and built simple charts showing recycling trends.
- Recommended three changes that the campus sustainability office later piloted.

Greenline Content Refresh, Internship Project

2025

- Rewrote the Get Involved page and simplified the volunteer signup flow, lifting form completions.

Trail Journal, Personal Project

Ongoing

- A growing photo-and-notes log of Pacific Northwest day hikes.

SKILLS

Tools: Microsoft 365 (Word, Excel, PowerPoint), Canva, Adobe Express, Audacity, basic HTML and CSS, Git and GitHub (learning)

Data: Spreadsheets, basic charting, survey design

Communication: Copywriting, public speaking, social media strategy

Languages: English (native), Spanish (conversational)

LEADERSHIP AND INVOLVEMENT

- Founder, First-Gen Voices Podcast (2024 to Present)
- Member, Campus Sustainability Club
- Volunteer, Seattle Public Library reading program
